

PRESENTATION

This PowerPoint presentation ***Engaging Interactions: Scaffolding Children's Learning*** introduces basic strategies teachers can use to support and build on children's learning. The PowerPoint presentation includes videos displaying these specific strategies in early childhood classroom settings.

PRESENTER NOTES

This guide for presenters provides further details, tips, and helpful information on using the slides and other materials for training.

LEARNING ACTIVITIES

These are three optional learning activities that can be used to extend the training. Each learning activity includes a facilitator guide and a participant guide.

- *Video Review of Shrimp, Shrimp, Shrimp* (with slide)
- *Discussion of Classroom Scenarios*
- *Planning In Your Classroom*

TIPS FOR TEACHERS

This tip sheet for teachers includes simple, straightforward suggestions that teachers can easily utilize in the classroom.

TOOLS FOR SUPERVISORS

The Supervisor Planning Guide provides a four-step process to assist supervisors in their work with teachers to make meaningful changes in their instructional interactions. The four-step process described is designed to help teachers and supervisors work together to improve teaching practice. This guide is an overarching tool that applies to multiple suites in the Instructional Interactions series.

HELPFUL RESOURCES

This list consists of additional resources for anyone who wants to learn more about the topic. This list includes such things as easy-to-locate articles, books, websites, etc., with brief descriptions of each resource.
